

NGC Bodily Injury Trust
Claim Type Change Claim Forms

The NGCBIT permits all but Non-Malignant III claims to be changed from an Expedited Review (“ER”) to an Individualized Review (“IR”) Claim, a (“Claim Type Change”).

In Process Claims

To request a Claim Type Change for an In-Process claim, the Claim Type Change form must be submitted. If upgrading the disease with the Claim Type Change, new medical documentation is also required.

Paid or Closed Claims

Paid or Closed claims can only be changed from an ER to an IR if a disease upgrade is also requested.

To request a Claim Type Change for a Paid or Closed claim, the Claim Type Change Claim Form must be submitted along with the new medical documentation upgrading the claimed disease from the previous claim.

Please refer to the Instructions for Filing a Claim with the NGC Bodily Injury Trust if assistance is needed filling out the corresponding portions of the Claim Type Change Claim Form.
